FOR SALE

Magnolia Palace - Byron Bay

The epitome of colonial-style island living, Magnolia Palace sits proudly upon approximately 8000 sqm of sweeping manicured lawns, fiercely private, it is surrounded by walled gardens of dense mature trees and bamboo.

Architecturally crafted with careful attention to detail, the sprawling residence is designed to capture the effortless tranquillity and richness of yesteryear. Purposely built to operate as a luxurious self-sufficient, eco-retreat, the accommodation encompasses seven grand-sized bedrooms, all with ensuites appointed with contrasting rich natural timber vanities and oversized spa baths. Every room features 12-foot ceilings, finely detailed crown moulding, chandeliers, ducted air conditioning, French doors and louvre windows, enveloping rooms with an abundance of natural light and airy ventilation.

The main living and dining area, sumptuous by scale and size, detailed with moulding and chandeliers, provide a seamless flow from inside out, magnified by the use of large sliding doors to capture the framed vistas of lush green lawns, mature Poincianas and distant Jacarandas.
