**Touch of old, with a touch of new!**

Welcome to this utterly charming and beautifully renovated home at the end of a wide, quiet street in sought-after Maitland, sitting on a 544sqm parcel of land. What a beauty.

With its foundations and facade dating from the early 19th century this weatherboard home has been thoughtfully and carefully restored keeping many original features, whilst adding a few modern touches for comfort and style.

As you approach the property, a beautiful Jacaranda greets you and you can't help but be impressed by its wraparound verandah, decorative timber posts and its original double hung windows. Even the rolled brick garden wall and steps to the coloured lead glass front door have been built with a nod to its past life.

The hallway, with its original archway, oak style floating floorboards, decorative cornices and 10ft ceilings give a sense of grandeur as it leads you to the bedrooms and centre of the house.
