Serene, flawless apartment in a premier beachside precinct

Set well back from the street in undulating tropical gardens, this first floor apartment has been comprehensively remodelled and revitalised. The result is a tranquil residence that's completely secluded yet at the heart of one of the Northern Beaches premier lifestyle precincts.

Lightly burnished timber floors complement the immaculate decor. The two double bedrooms are drenched in sunlight from their secluded north aspect and both are superbly appointed with floor to ceiling bespoke built-ins and tailored blinds. These are flanked by a flawless, sunlit bathroom with designer tapware and a separate bath.

The living areas flow through floor to ceiling glass to a balcony that overlooks the idyllic garden setting and a sandstone forecourt. This fusion amplifies a sense of serene indoor outdoor living, a delightful added dimension to life in this beachside haven.

An elegant archway leads the way to the immaculate chef's kitchen.
