

6/7-9 Mitcham Road, Donvale AUCTION

Convenience at your doorstep!

THE PROPERTY:

Boasting light-filled accommodation that spans a highly desired, single-level floor plan, this privately located abode at the rear of a well-maintained complex will appeal to an array of savvy buyers and investors.

The formation of spaces has been well-considered, with two specific zones to ensure a comfortable lifestyle for all occupants. The first of these comprises a substantial living room at the home's entry, and this flows through to a sizeable dining area and a well-equipped kitchen with quality appliances and a good range of storage options. The adjoining zone has two robed bedrooms; this includes the master which offers a walk-in robe and direct access to the home's central bathroom, creating a semi-ensuite effect. Outdoor living has also been catered for with a generous L-shaped garden courtyard which provides ample room for relaxation and entertaining, as well as a safe space for young children or pets to play safely.

Pleasing additions include gas ducted heating, evaporative cooling and an oversized single lock-up garage.
