Neat and tidy first home or downsizer

Whether you're just taking your first step onto the property ladder, or looking for an easy-care home for downsizing, this could be all your wishes come true. This is a fantastic three-bedroom home, as clean and tidy as you could dream of, a blank canvas, ready for you to move in and make it your own.

As you cross the neat lawn and enter the house, you'll notice the very convenient separate lounge and imagine it as a media room, or a room to escape from the family spaces. Beyond that you'll find the timber-floored, open-plan kitchen, dining and family area, which leads through to the alfresco patio for indoor-outdoor living options. The patio is big enough for a family barbecue, yet compact enough not to require constant maintenance.

The kitchen, with its island breakfast bar and walk-in pantry is everything you could wish for.
